The Atlas was first published in 1947 and now, with this newest edition, it enters its 62 year. This international resource contains the most up-to-date information, on the piano industry, available. Often referred to as the Bible of the Piano Business.

The twelfth edition has been authoritatively expanded, enlarged and updated to include over 12,000 names providing ready reference to serial numbers, dates of manufacture, factory locations, a brief history of many manufacturers and other pertinent information. Knowledge is success ... and you now have the opportunity to order the most complete and authoritative compilation of factual, historical piano knowledge ever published. A lifetime has been devoted to developing this unique publication. The Pierce Piano Atlas contains background information that may give you the history of a piano on which to base honest, intelligent and profitable buying or selling decisions. An invaluable tool for rendering a very real service to your community and establish your reputation as the local authority.
