Practical Faith: The Call to Courageous Living in the Book of Hebrews David Dean

Practical Faith takes you into the world of the writer and the first readers of the Letter to the Hebrews, a portion of the New Testament that is both loved and feared. Loved, because the Letter to the Hebrews speaks so highly and so eloquently of the Lord Jesus Christ, the savior and hero of generations of Christians over the last two millennia. Feared, because the Letter to the Hebrews contains six so-called “warning passages” that some interpret as saying that God can withdraw His gift of eternal forgiveness, or that an individual can place himself beyond the reach of God’s forgiveness. Sadly, the Letter to the Hebrews is one of the least well-known and studied books of the New Testament. Practical Faith aims to change that by making the Letter to the Hebrews accessible to the modern reader and the modern mind.

In Practical Faith, Dr. David Andrew Dean lays the historical and theological foundations without which the Letter to the Hebrews cannot be properly understood, or truly appreciated. Written in a friendly and non-technical style for a wide range of readers, Practical Faith is nonetheless a deep and carefully reasoned study of this monumental and precious document of Christianity. Practical Faith deals forthrightly with topics that theologians often shy away from, including the matter of salvation before and after the cross. Although Practical Faith is designed to be accessible to a wide range of readers, it is ideal for use at the college and seminary level. Less important details are placed in footnotes, allowing the reader who wishes to move quickly to do so, while making additional depth available to those who wish to go deeper.

If you value God’s Word, you will find Practical Faith a helpful guide to this precious New Testament letter, written by a kindred spirit who has devoted his life to studying and teaching the Bible from beginning to end. Enjoy!
