Recent Changes in Employee Benefits and Executive Compensation provides an authoritative, insider's perspective on the latest trends in and approaches to bonuses, health care, retirement plans, and other incentives. Featuring partners from some of the nation's leading law firms, this book guides the reader through crucial topics, such as the effects of the Affordable Care Act and the United States v. Windsor decision on employee insurance plans, as well as the influence of "say on pay" regulations on executive bonuses and "golden parachutes". From changes in health insurance regulations to new retirement plan options, these experienced lawyers give their insight on the shifting state of laws affecting employee benefits and executive compensation. Additionally, these experts discuss the continuing influence that the economy has on both compensation and benefits, and share their thoughts on what the future is likely to hold. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these top attorneys offer their opinions and expertise on this rapidly-changing area of law.

Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities.
