Slot Machine Miracles and Other Secrets to Reinventing You Jeff Donaldson

Each day, thousands of people descend upon Las Vegas bars and casinos to drink and play. The slots are like a fishing trip where the thrill of the chase is equal to the promise of a huge catch... where players pound out years of regret on video poker keys... and the flow of alcohol and laughter helps hide the hurt from a life full of broken promises and failed dreams. Many books have focused on the “secrets” to beating Vegas, but few have looked at what happens when Vegas beats you. Journalist Jeff Donaldson spent seven years on his own dark and twisted journey; a roller coaster ride full of big wins and major losses, some of which included his family, friends and future. His miraculous comeback has inspired others to embark on their own journeys to rediscover happiness and fulfillment. Maybe it’s time that you cashed out and cashed in.... Slot Machine Miracles can show you how to take the steps necessary to reinvent your one and only life, as told through the eyes of those who have lived it. Straight from the bars of Vegas to the front lines of a life filled with love, forgiveness and direction—if you’re looking to make a change in your life, then today could be your lucky day!
