In this steamy follow-up to her irresistibly erotic debut novel, Eden Bradley returns with a trio of tales that explore the darker side of pleasure.

Prepare to enter a provocative, scintillating world where three women are about to take ecstasy to the limit—and beyond. In *The Bonds of Love* a struggling couple will do anything to save their marriage, even if it means experimenting with a little bondage. But once their research moves beyond the bedroom, how will they know if they've gone too far?... In *The Lair* a woman answers an ad for a female submissive, ready to surrender to her body's deepest yearnings. Finding love is the last thing she anticipates... And in *Love and Discipline* a journalist expects her interview with a sensual extremist to be business as usual. Instead she finds herself submitting to the dominant desires of a handsome stranger—and discovering more about herself than she ever dreamed possible.

Sensual and mysterious, this captivating collection is sure to seduce you, page after tantalizing page....
