A Foreign Exchange Primer (Wiley Trading) Shani Shamah

This book will provide a thorough introduction to the foreign exchange markets, looking at the main products through to the techniques used, coverage of the main participants, details of the various players, and an understanding of the jargon used in everyday dealings. Written in a concise and accessible manner, it will be an ideal introduction for anyone looking to become involved in the FX markets, from dealing rooms or sales perspectives, to novice investors.

The new edition has been updated to reflect the changes that have taken place in the industry over the past few years. Most chapters have been enhanced and this new edition now features new material on the psychology of trading, the psychology of price movement and online trading.
