Sandy and Eric live in Metropolitan City. A city where getting paid for sex is legal as long as the prostitute deals directly with the customer and does not openly solicit business in the streets.

In downtown, there are the skyscrapers, the slums, the red light district, and the motels where people go for sex and more.

Eric works in construction. Sandy waits on tables. When their sex life becomes bored, and they are short on cash, they decided to turn their sexual fantasy into a moneymaking side business. They got so rich as a result! Today, they no longer have money problems!

Read how, in the midst of a sin city, Sandy turns to prostitution to live out their sexual fantasy, while at the same time make a quick buck, and while her husband watches in the closet. After the paying customer leaves, read how Eric falls out of the closet, pants down with a boner so big and hard one could faint! Read how they have an electrifying sexual experience with each other and afterwards how they realise their love for each other is stronger than they thought.
