In the hurly-burly haste of everyday life, it's hard to find a moment to stop and give thanks for those who are closest to us - our mothers. In this little book, mothers and daughters muse upon the unbreakable bond that exists between mother and child. The three sections - Bonding; Sharing, growing and recognizing the need to be different; and Reconnecting and learning to let go - contain moving stories from real women who reflect on their very differing experiences of the mother/daughter bond. As you read, you'll ponder your own experiences as a mother and/or a daughter, and muse on the wisdom and understanding you've gained from your own journey. This little book celebrates motherly love in all its forms and is the perfect way to let your mum know that, however much she drives you mad, you love her to bits underneath.
