**Army Leadership Manual (FM 22-100)** Department of the Army HQ

"FM 6-22 is the Army's keystone field manual on leadership. It establishes leadership doctrine and fundamental principles for all officers, noncommissioned officers, and Army civilians across all components. This manual uses the BE-KNOW-DO concept to express what is required of Army leaders. It is critical that Army leaders be agile, multiskilled pentathletes who have strong moral character, broad knowledge, and keen intellect. They must display these attributes and leader competencies bound by the concept of the Warrior Ethos. Leaders must be committed to lifelong learning to remain relevant and ready during a career of service to the Nation."
