When Candice moved in across the street, I found myself attracted to her but I never thought anything would come of it. She took control, though, and before I knew it I was right in the middle of my first lesbian sex experience!

Warning: This ebook contains very graphic depictions of lesbian sex and includes sex toys and ass play. Only mature adults who won't find that offensive should read this story.

Here is a preview:

She smiled at me, took my hand and led me to her room and sat me down at her vanity table. She went right into fixing my hair, and she styled it in a classic pin up hairdo, and did the same with my makeup. I couldn't believe the sexy woman I was looking at was me! She did amazing and I wanted to cry, but I didn't.

Candice grabbed my hand and lifted me off of the chair and my towel fell off. I tried to grab it, but she was too fast. She had the towel in her hand and tossed it across the room. On instinct, I covered my tits, and she pushed my hands back to my sides. I stood there as her eyes moved all over my naked body and I didn't move. She took a step closer, raised my face to meet hers and told me that I was exquisite. I opened my mouth to speak, and that's when she kissed me.
