New York Jackie: Pictures from Her Life in the City

As familiar as we are with images of Jacqueline Kennedy Onassis, the charming former first lady, fewer know the dynamic woman who called New York City home. Shortly after JFK's assassination in 1964, Jackie moved to Manhattan and lived there for the next three decades. This intimate collection of photographs celebrates her life in the city as a mother, book editor, style icon, and most of all, a New Yorker. Eating ice cream with her kids on Fifth Avenue, working with authors at Doubleday Books, riding her bike through Central Park—these images capture the real-life joy, creative passion, and effortless grace of New York Jackie.
