**Nothing To Lose** Thomas Waugh

**'Engaging and enjoyable. A must read for soldiers and civilians.' - Damien Lewis.**

Killing comes easy to Michael Devlin, a soldier turned assassin.

When he murders Martin Pound, a corrupt politician, he considers it to be just another job.

His days are spent drinking, reading and visiting his late wife's grave. Devlin has nothing to live for.

Then he meets Emma, "a good Catholic girl". Everyone deserves a second chance.

But the hunter is about to become the hunted.

The Parker brothers, the criminal family who put the hit out on the politician, want to tie-up loose ends.

Devlin must kill or be killed.

Nothing To Lose is a literary thriller, set in South London. Thomas Waugh has created a hero (or anti-hero) who will seem human to some readers and inhuman to others. You decide.

Praise for Nothing To Lose:

'Graham Greene meets David Baldacci... Nothing To Lose is philosophical, satirical and, most importantly, gripping. For lovers of thriller writing and literary fiction alike.' Matt Lynn

'A gripping thriller, elegantly told. A complex plot, deftly handled. And a narrative that puts the city of London, with its wealth and poverty, goodness and evil, at the heart of the story.' - Alison Joseph.

'Tense and atmospheric.' - Humphrey Hawksley

Thomas Waugh is the pseudonym of a bestselling historical novelist.

#### **Danny Solberg:**

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just little students that has reading's heart or real their hobby. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Nothing To Lose can make you sense more interested to read.
