This is the journal of Stuart Fairchild, about to leave on his first-ever road trip. What happens on the road to this talented guitarist leads to other roads, as a musician, artist and model ... and as a female.

In Part One, Stu is on the road and mistakenly identified as “Sue”, planting the idea in the band manager’s mind. Next road trip: Suzie Fairchild will be the girl guitarist! But first, Stuart learns to become Suzie, and as she prepares for the next road trip, she also finds she’s heading off in a new direction with a world-famous photographer. Part Two will start the next road trip; each Part is a full-length novel.
