Eighty-eight percent of children raised in an evangelical Christian home will leave the church by the age of eighteen. Most will turn away from authority, parental values, and biblical teaching, losing their potential, their health, and their destiny -- sometimes even their life. As a parent, guardian, or loved one, what can you do to prevent this from happening? If it does happen, how do you fight the battle? Is there hope?

In *Praying for the Prodigal*, Andrea Merrell shares her journey with not one but two prodigals, and how God protected them, restored them, and brought them back from the very flames of death and hell. She gives you practical survival tips to help you keep your sanity in the midst of the crisis, such as establishing boundaries, avoiding the blame game, and learning how to pray the Word of God over your children daily. You will be encouraged by advice straight from the prodigals, and your faith will be strengthened by thirty days of prayers and Scriptures. This book will equip you for the battle ahead and help you hold fast to God's promises, reminding you to never, never give up on your children -- no matter how hopeless the situation may seem.
