QRP, or low power operation, is a growing option for Amateur Radio operators. One reason for its popularity is the low cost to join in. Another is the versatility of where and how these radios can be used. These radios are great for portable operation almost anywhere and are made to order for emergency deployment or back up at home. Low cost, modern QRP radios make it easier than ever to join into the fun. This little book explains QRP operations, where to find QRP frequencies, equipment, awards, contests and more..
