## **About The Further Adventures Of Robinson Crusoe by Daniel Defoe**

The Further adventures of Robinson Crusoe is a novel by Daniel Defoe, first published in 1719. Just as in its significantly more popular predecessor, Robinson Crusoe (1719), the first edition credits the work's fictional protagonist Robinson Crusoe as its author. It was published under the considerably longer original title: The Farther Adventures of Robinson Crusoe; Being the Second and Last Part of His Life, And of the Strange Surprising Accounts of his Travels Round three Parts of the Globe. Although intended to be the last Crusoe tale, the novel is followed by a third and final novel involving the character by Defoe entitled Serious Reflections of Robinson Crusoe (1720). The story is speculated to be partially based on Moscow embassy secretary Adam Brand's journal detailing the embassy's journey from Moscow to Peking from 1693 to 1695.
