**The BFG Movie Tie-In** Roald Dahl

**Roald Dahl's beloved novel hits the big screen in a major motion picture adaptation from Steven Spielberg and Dreamworks Studios -- starring Oscar-winning actor Mark Rylance as The BFG!**

The BFG is no ordinary bone-crunching giant. He is far too nice and jumbly. It's lucky for Sophie that he is. Had she been carried off in the middle of the night by the Bloodbottler, or any of the other giants—rather than the BFG—she would have soon become breakfast. When Sophie hears that the giants are flush-bunking off to England to swollomp a few nice little chiddlers, she decides she must stop them once and for all. And the BFG is going to help her!

Roald Dahl's original story of a young girl and a benevolent giant known as the BFG who set out on an adventure to capture evil, man-eating giants is heading to the big screen as a live-action film.
