## **Wrecked, But Not Totaled: God Has the Final Say** Kendale Lumpkins

Graveyards are sad places. Not because of the family and friends they hold, but the potential that lies within. Day after day, so many people walk through life aimlessly because of a few setbacks and mistakes. Instead of giving life another shot, they label themselves as wrecked and settle to simply exist. As a result, they leave life full of purpose, dreams, and potential. Despite how hard we strive, we always miss a step here or there. Sometimes, our mistakes wreck so much havoc it's hard to get up and start again. If you've never made a mistake, fallen short, felt disappointed, or wanted to give up, this book is not for you. I wrote this book to encourage those of you who have made bad decisions. This book is for people who haven't always been proud of who they are. This book is for people like me. Your current condition does not determine your future position! Your bad choices may have bent your life out of shape, but you are not totaled. You are still here. You still have purpose. Make the decision today to acknowledge your wrongs and accept God's plan for your life. I don't care how old/young you are, how jacked up your credit is, how horrible your marriage is, or how long it's been since you went to church. It's not over yet. Your life is just beginning. In this book, you will learn practical life applications to help you persevere through all life's struggles. I will teach you how to adjust your approach to life's obstacles by sharing a few stories and testimonies of my own. The life you always dreamed of living is waiting on you. You just have to make the decision to start living again.
