The Spider Ring By Andrews Harwell [Paoerback] Andrews Harwell

A powerful ring. A dangerous web. When Maria inherits a strange, spider-shaped ring from her grandmother, she doesn't realize she's also inheriting a strange power -- the power to control spiders and have them do whatever she wants. This is a pretty cool thing when it comes to fetching objects from another room . . . or if Maria wants to use the spiders to get back at some mean kids in her class. But the power comes with a price. Maria has attracted the attention of the Black Widow -- who is trying to collect all the spider magic for herself. The Black Widow is not going to let anything stand in her way -- especially not Maria. The story of the ring is being woven like a web -- and Maria is going to have to do everything she can to not get trapped within it.
