## **The Yosemite (Modern Library Classics)** John Muir

In the spring of 1869, John Muir was looking for means of support to fund his explorations of California's Central Valley region. A ranch owner offered him a job herding sheep in the Sierra Nevada. As he explored the region, he jotted down his keen observations of the scenic countryside, and he eventually became a guide for some of Yosemite's most famous visitors, including Ralph Waldo Emerson. Muir documented these experiences in **The Yosemite**, first published in 1912. It is at once a vivid, accurate description of the land and a passionate homage to nature.

This Modern Library Paperback Classic is a facsimile of the 1912 edition and includes the original illustrations.

It makes you quickly to read this book, as you can read this book in your Cell phone. So there is no reason to your account to past this reserve from your list.

#### **Gregory McKinney:**

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this The Yosemite (Modern Library Classics) can make you really feel more interested to read.
