The Bungle Family was an American gag-a-day comic strip, created by Harry J. Tuthill, that first appeared in 1918. Originally titled Home, Sweet Home, it first appeared as part of a series of rotating strips in the New York Evening Mail. Called "the finest, most inventive and socially critical of the family strips" by comics historian Bill Blackbeard, The Bungle Family was a popular domestic comedy that emphasized dialogue and realistic situations. The titular patriarch of the strip, long-suffering, cantankerous George Bungle, voiced the petty frustrations and joys of the common man during the Jazz Age and through the Depression.[1] Seen only sporadically in 1918, the strip was published daily and was nationally syndicated by the end of 1919. Home, Sweet Home followed the adventures of Mabel (later Josephine) and George, a young couple beset on all sides by in-laws, neighbors and businessmen. Tuthill took the strip to the McNaught Syndicate when the Evening Mail was sold in 1924, changing the name to The Bungle Family and adding daughter Peggy Bungle to the cast. A Sunday page was in existence by September 9, 1923. Comics historian Don Markstein described life among the Bungles: George was skinny, middle-aged, cucumber-nosed and mustachioed, sort of like A. Mutt, Andy Gump or the self-caricatures of R. Crumb. Josie was his equivalent, not a dowdy old frump, but about as comfortably domestic looking as Mutt's or Andy's wife, or to cite a more recent example, Mrs. Ferd'nand. They were typical lower middle class city people of the time, living in a walk-up apartment and having frequent run-ins with the landlord, bill collectors, neighbors and most of all, each other. George and Jo would fight over practically anything. Their disputes frequently went on for hours, provoked noise complaints to the police, dragged the neighbors in, or all three. They were not very likable, and certainly not high-minded. But they were funny. Through them, Tuthill displayed a sort of amused contempt for the more petty concerns of ordinary urban life. The Bungles weren't the sort of folks most people would want to live downstairs from, but they were very much capable of providing entertainment for those who didn't have to put up with them in person.[2] In the mid-1930s, Tuthill serialized exotic adventures and introduced a large supporting cast over the next several years—moves that were accompanied by a huge surge of public interest in the strip. Around this time, Tuthill began incorporating fantasy and time travel into the strip. Escamilla Comics has lovingly remastered these timeless classics with vivid color correction, image restoration and has also added an enhanced reading experience with Kindle Panel View. The comic reprints from Escamilla Comics are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old.
