Driving & Discovering Hawaii: Maui & Molokai Richard Sullivan

Newly updated and expanded. Acclaimed for its beautiful photography [over 350 photos] and dozens of highly detailed maps, **Driving & Discovering Hawaii: Maui and Molokai** is considered a milestone in guidebooks.

Areas of Maui not found in other guides, such as Maui's Upcountry and West Maui's Rugged North Shore, are explored in great detail here. Nor has any guidebook ever before explored the island of Molokai in such a detailed, beautiful and comprehensive manner. Much more a guide to the physical beauty of Maui and Molokai than a guide to hotels and restaurants, every beach on both islands is described in detail and the majority of them are pictured in stunning photography. Five pages of beach charts outline the amenities that each strand offers. Secret beaches, hidden waterfalls and astonishing vistas are all displayed in **Driving & Discovering Hawaii: Maui and Molokai** in vivid color and with complete directions on how to reach them. Featured sections include **Just Picture It!**, a 4- page guide to photographing the islands; *Best Beaches Maui*; *Best Beaches Molokai*; *Best Hikes Maui*; *Best Hikes Molokai*; *Best Waterfalls Maui and Molokai*; and a 37- page guide to the Hana Drive.

Driving and Discovering Hawaii books are acclaimed for their unique **Photo-Finder Feature**: no other guidebook or guidebook series anywhere offers this valuable innovation. Each photo is numbered and corresponds to the same number on an adjacent map. This shows the visitor exactly where all of the islands' most beautiful and photogenic sights are located, and allows the visitor to preview ALL accessible areas of the islands before visiting them to make the most of valuable vacation time. Since the author personally wrote this book as well as made all of the 330 photos, he was able to link all of the book's information into one very complete, thorough and comprehensive reference work. This is one guidebook in which the photos are just as valuable a tool for the visitor as the text. The quality of photography and reproduction is excellent: the Eastman Kodak Company is a sponsor.
