An international conspiracy thriller in the vein of *The Parallax View*— a Salman Rushdie-esque figure uses his latest novel to explain his own disappearance after a journalist's murder

Raj Chakraborti, internationally renowned novelist and commentator, has disappeared from public view. What's worse, the police want to question him about the murder of a young journalist. Raj claims to explain everything in chapters from his latest work of fiction about a serial-killer-turned-hired-assassin. Is Raj right to believe that he is being hunted, or is it his past that has finally borne down to haunt him?
