The North Pole Prize: A Christmas Romantic Comedy Short Story Caroline Mickelson

North Pole engineer Garrett McCree values his peace and quiet above all else, and his life runs according to a carefully crafted master plan. Until, that is, Santa Claus asks Garrett to play chaperone to the winner of the North Pole Prize essay contest. Out of loyalty to Santa, Garrett reluctantly agrees. After all, how much trouble can one woman possibly be? But when beautiful and vivacious Angelique Devereaux, a Christmas-loving, serial gift-giver arrives at Christmas Central, Garrett soon realizes the answer to that question. Predictable is out, spontaneous is in, and Garrett's heart will never be the same.
