Unlawful Flight: A Parental Kidnapping Glen C. Schulz

THE STOLEN CHILDREN. When he married in 1971, Glen C. Schulz never dreamed it wouldn't last. Nevertheless, 10 years later, he found himself embroiled in a bitter and acrimonious custody battle. Glen was falsely accused of sexually abusing his children and his visitation rights were taken away without so much as a hearing. When it became apparent that the legal system was not on his side, he was forced to take the law into his own hands. He fled with his two children and eventually settled in Houston, Texas. On the run from the FBI and the police, Glen and his children were forced to go underground and assume false identities. Friends, teachers and family rallied around them, hiding the children when Glen was arrested and when their mother tried to steal them back. Unlawful Flight is a true story of suspense, the power of love and one father's brave stand to keep his children safe.
