## **If These Trees Could Talk, Park 1: Stories From the Trees of Sunset Park** Kate Trnka

This book is a journey into the woods - offering words of wisdom from the trees themselves. This unique perspective allows you to remember what it was like when you could hear the voices of nature (before the adults in your life told you it was all nonsense). This book may be just what you need to give you the courage to step back into your child-like nature and encourage you to have your own conversations - whether in the woods with trees, or with any form of nature. All you have to do is... Be Still. Listen. Know. Filled with magnificent photos of the trees that are part of this series of short stories and messages.
