**It'll make you laugh, love, cry, and beg for more!**

"I'm an idiot. Five years I worked with an incredible woman and the day I get dumped by my ex is the day I finally started thinking about whether or not I could have really had a future with the woman I really wanted. I guess my ex waited a little too long to dump me because now my investor level partner beat me to the punch. To make matters worse, she seems pretty taken with the guy too...he's a pretty decent man. But I deserve her, right? She's been loyal to me, right? Who cares if I just won a huge client—there will be others. I want what I want and right now, I'm still kind of stuck on my personal assistant."
