The most authoritative and innovative guide to professional football (previously known as "Pro Football Prospectus") is back for an all-new season with more cutting-edge statistical analysis, obsessive film study, and trademark humor. Includes comprehensive coverage of all 32 NFL teams, analysis of offseason personnel changes, over 500 KUBIAK fantasy football projections, and breakdowns of every team from the six BCS conferences plus the top independent and mid-major college football teams. New research topics include the development of college quarterbacks, running back consistency at the goal line, and a projection system for which college sack artists will be NFL stars or busts.
