The rocket story is the perfect setting for THE TWO PILLAR MAN test. Two massive pillars built at the entrance to Solomon's temple were powerful symbols of two God-ordained principles to walking uprightly. These bronze statements are designed to develop unwavering character against any attack and will bring truth into tempting compromises that are continually stripping away men's honor and respect. "So I write that you may know how you ought to conduct yourself in the house of God, which is the church of the living God, the pillar and ground of the truth." 1 Timothy 3:15 NKJV Even though you might have blown something up, it doesn't mean you have to blow it completely.
