A very funny book about teeth and who needs them. From a rabbit to a dog to a cat to a cow to a horse, they all need teeth to eat the food they require to remain healthy and happy. Children are the same. “If you didn’t have teeth, you wouldn’t have fun. You couldn’t eat an apple or a cinnamon bun. You couldn’t eat a sandwich made of cheddar cheese. You couldn’t eat green beans or peas. You couldn’t eat all the things that make you strong and bright. You couldn’t eat a snack in the middle of the night. You couldn’t eat a birthday cake on your special day. You’d be left with only ice cream, as they’d take the cake away.” This is a delightful way to emphasize the importance of caring for one’s teeth, and not just to chew with, but to put on a happy face and smile with. \* 25 whimsical illustrations full of color and charm \* Great reminder for every child Who needs teeth? We all do!
