Yesterday I Died. Evangelist Jenny Small

Pastor Jenny Small's land of her nativity is Barbados. She has a powerful life-changing testimony that reveals the delivering power of God through Jesus Christ and how God protected her in the darkest years of her life - how God snatched her from the clutches of death - from the darkest pit - from fear to faith - from prison to praise. In her book "**Yesterday I Died**", she exposes and brings to light the hidden spirit of domestic violence, and the years she and her daughters were exposed to the abuse by the hands of her former husband. In addition, she discloses how God lovingly brought transformation in her heart, through Jesus Christ and blessed her to love her former husband with the love of God. Her deepest heart's prayer is that her past experiences would help you step out from death to life - from darkness to light, through Jesus Christ. Pastor Jenny needs you to realize that you are a world changer and that you must rise up and reach out to hearts that are hurting and broken, but that it starts with you, as you step forward first and be healed, in the Name of Jesus. Amen.

Pastor Small is the Executive Director of He Restores My Soul Outreach Ministries, Inc., a faith-based not-for-profit organization.
