A Knight to Remember Bridget Essex

A librarian, a warrior woman, and a love story that's out of this world... Holly tells herself that the reason she hasn't asked her girlfriend to move in (after four years of dating) is that she's too busy—but it isn't true. A very book-obsessed librarian, Holly has buried herself in so many romantic and magical stories, that at night, she dreams of a woman who will sweep her off her feet—something her indifferent girlfriend has never done. But one night, during an unusually vicious storm, magic and romance appear in Holly's backyard in the form of a mysterious, gorgeous woman...wielding a sword. The dashing stranger's name is Virago. She claims that she's a warrior on the hunt for a great and terrible beast; that she, and the beast, slipped through a portal from their world into ours. Holly isn't sure what to believe, but she is now responsible for a (possibly crazy) swordswoman who is bewildered by modern-day conveniences like escalators, but not by the chivalry of sweeping a woman off her feet. Can Holly help Virago find her own world again, or will that falling-in-love thing get in the way? And, of course, there's the tiny problem of the beast Virago wounded that is now seeking revenge... **A KNIGHT TO REMEMBER** is a light-hearted, fantastical romance that will take you on a journey you'll never forget. It is approximately 74,000 words (several days worth of reading or so).
