**Broken Dragon (The Chronicles of Mara Lantern, Book 3)** D.W. Money Penny

**A dragon rampages across Portland, stalking Mara Lantern's mother.** Oddly enough, the creature is Mara's friend and mentor, Mr. Ping.

After agreeing to share his body with the consciousness of a dragon from an alternate reality, Ping loses control. The monster inside him senses danger and leaves a trail of destruction in its relentless pursuit across the city. So busy fending off attacks, Mara doesn't have time to figure out why her niece came from the future, or why people who crossed over from other realms are mysteriously disappearing. And if all of that wasn't enough, Mara still isn't sure if her friend Abby was actually turned into a metaphysical demon.

**Note:** This series is best read in order. Readers should begin with *Broken Realms (The Chronicles of Mara Lantern, Book 1)*.
