It's the only publication that tells the real story of how artists get ripped off and how they can protect their assets. In a special 10th Anniversary Edition, author Moses Avalon, one of the industry's most sought-after consultants and artist's rights gurus, has updates on all of the old shams and many new ones created by the internet and the ongoing transformation of the music industry. \* Detailed numbers on how new royalties from digital downloads are calculated, collected, and manipulated. \* Deep inside the new so-called "360 Deals" offered by the major labels. \* Plus a DVD-ROM containing private lessons from Avalon's Workshop.
