## **Forward Be Our Watchword: Indiana Methodism and the Modern Middle Class** Kevin Corn

This is a book about Methodists in Indiana between 1880 and 1930, searching for the larger transformation of American culture, particularly the development of a new nexus of institutions that would become known as the social mainstream. Corn shows how forces of upward social mobility, evangelistic religion, and optimism for progress converged in these Midwestern Methodists with darker forces such as racism, nativism, and a grim commitment to the use of legal coercion.
