Record a Song: Mickey Mouse Christmas Songs is a recordable book that enables an adult to record a child singing seven favorite Christmas songs. The book becomes a keepsake, creating a lasting memory of a child's voice. The voice recording is permanent; it will not be lost when the book's batteries are changed. The product is designed for children ages 18 months and older.

Follow these directions to record the seven Christmas songs recommended by Mickey Mouse and his friends from the Mickey Mouse Clubhouse:

Turn to a song in the book and practice the lyrics with the child. Next to each song title is a small picture.

Find the matching button on the audio module that is attached to the book.

Press the song button and RECORD/STOP at the same time. The music plays, and the child sings along.

When the child has finished singing, press RECORD/STOP again.

Repeat the process with the remaining songs.

Set the locking switch behind the screw-on plate to ensure that the recording won't be inadvertently erased.

Once the recording process is complete, you will have a keepsake book of a child singing these Christmas songs:

Jingle Bells

O Christmas Tree

Deck the Halls

Jolly Old Saint Nicholas

Toyland

Up on the Housetop

We Wish You a Merry Christmas

Three replaceable AAA batteries that power the sound module come with Record a Song: Mickey Mouse Christmas Songs.

Please note that in order for the book to function properly it must be recorded on a flat surface and in a well-lit area, so that the holes located on the right side of the book have an unobstructed view of a light source. The same conditions are also required for proper playback.
