Editors of Sunset Books

Take the mystery out of installing a watering system with this new edition of Sprinklers & Drip Systems. Visual guides and garden plans help you select, install, and maintain the right system—or systems—for your landscaping needs. Color photos assist in identifying the correct components when shopping for a particular sprinkler or drip system. You'll save time, money, and conserve water by employing the book's planning recommendations and installation instructions.

Features:

- \* Excellent reference volume whether self-installing or hiring contractors
- \* Visual guides take the guesswork out of selecting the right sprinkler and drip system components
- \* Step-by-step photos and instructions for planning and installation, plus information on maintenance and repairs
- \* Showcases five different gardens to illustrate how particular systems address special landscaping needs
