## **The Cambridge Companion to Ezra Pound (Cambridge Companions to Literature)**

This Companion contains fifteen chapters by leading international scholars, who together reflect diverse but complementary approaches to the study of Ezra Pound's poetry and prose. They consider the poetics, foreign influences, economics, politics and publication history of Pound's entire corpus, and reveal his importance in developing some of the key movements in twentieth-century poetry. The book also situates Pound's work in the context of Modernism, illustrating his influence on contemporaries like T. S. Eliot and James Joyce. Taken together, the chapters offer a sustained examination of one of the most versatile, influential and certainly controversial poets of the modern period.
