This Is the Tree (Children's Books from Around the World. Africa) Miriam Moss

A lyrical, poetic, and informative look at life on the African Plain, and the lives which surround the Baobob tree. This is dialogue that begs to be read aloud - in front of a class or in front of a fire. This is text matched in magic by exquisite and realistic illustrations of wildlife and weather, seasons and survival. A book to listen to, pour over, and to read and reread.
