She agrees to give herself to him completely. No talking, no moving without permission, he owns her. Every hole is his to destroy, her body his to do with what he pleases.

" "Hands on the counter and present your ass to me."

She complies and he smacks her ass with the wooden spoon. She squeaks with its impact.

She continues emptying the dishwasher. Now he begins to tease her. He stands close to her as she works, sliding his hand on her ass and between her legs.

"Why is your pussy wet?" As if he doesn't know.

She gives him a look and a smile.

She clinks a glass against another as she puts away in the cupboard.

"Assume the position."

She assumes the position and presents her ass to him. He rubs her ass and slides his fingers between her legs, he feels her pussy, which is soaked, and he slides two fingers into her. She arches her back opening herself to him. With his fingers inside her, he strikes her ass with the spoon. With the strike, he feels her pussy tighten around his fingers. He withdraws his fingers and she continues with her task."
