This is the second part of Urges, a dark romance series by USA Today bestselling author Sky Corgan.

Trent Stevens has Fennel so turned around that she doesn't know whether she's coming or going. An unexpected tryst in his office has her questioning if their relationship has turned from professional to personal.

When he starts giving her the cold shoulder, it quickly becomes apparent that things aren't what they seem. He plays a dangerous game of push and pull with both her emotions and her body. While he tells her to stay away, his actions speak the opposite.

Fennel's too intrigued to give up on Trent. There's a dark sexiness about him that she's yearned to experience. But when he finally lets her in, what he shows her is far beyond anything she could have imagined.

Disclaimer: This book ends in a cliffhanger.

Part three will be released mid-January 2015.
