Little Pterosaur loves to go outside and play with his friends because to him, it's the best thing in the entire world. One day when he was on his way to his friend's house, he came across a "mobile" device filled with many colorful games. Instead of wanting to go outside and play, Little Pterosaur found himself playing on the mobile day and night. How can Little Pterosaur break his new obsession with playing mobile games constantly?

Little Pterosaur's story is a good story that parents can read to their children to explain to them why it's not good to play video games all day. It's alright to play games every now and then, but one should not play it all day like how Little Pterosaur did.

This story may be ideal for reading to your kids at bedtime and is enjoyable for the whole family as well! It is a fun and beautifully illustrated book with a happy ending that all readers will enjoy. This is a charming children's story that is sure to become a favorite.
