Is the adoration of Goddess Eris Discordia a joke disguised as a religion or a religion disguised as a joke? Yes-and no. Discordians coined 'neo-paganism;' got Planet X named Eris; twisted the victory sign into the peace sign; and helped create the counter-culture. And got in big, big trouble. Written by Reverend Loveshade with Other Assorted Troublemakers, this book humorously and intellectually challenges social norms, sexism, ageism, legalism, and even its own personism and Discordianism. It features stories, articles, games and quizzes, lists, art, photographs, myths, humor, and more. Portions of it were seized by the FBI, then released. Read with your mind open-and the curtains closed.
