Jill Fryman (Friday to her friends) is a line supervisor at a truck manufacturing plant in a small southern Indiana town. Life on the assembly line is almost as predictable as her love life. When it comes to matters of the heart, Friday always seems to be making the wrong choices. Things go from bad to worse when El, a sultry labor organizer from the UAW, sweeps into town to unionize the plant right after it's been bought out by a Japanese firm. Sparks fly on and off the line as Jill and El fight their growing attraction for each other against a backdrop of monster trucks, catfish dinners, Pork Day USA, and a bar called Hoosier Daddy.
