King (Skin Walkers Book 1) Susan Bliler

A consummate professional, Lilly Worthington, has been personal assistant to CEO, Monroe StoneCrow for years. In that time, she's witnessed much that leads her to believe there is something strange about Monroe and his staff. Tight-lipped and unwilling to rock the boat, Lilly performs her duties with skilled efficiency. Nothing could make her falter from her schooled indifference to the odd occurrences that plague StoneCrow...that is until King Mulholland arrives.

After years of being surrounded by Monroe's gorgeous staff, Lilly is disconcerted to find that she cannot shake her attraction to King. Worse, he's assigned as Monroe's Chief of Security meaning he's constantly in her presence. The distraction of King coupled with sudden threats at home has Lilly wondering if the two aren't somehow connected. Are Monroe and King hiding something?

Skin Walker, King Mulholland, is called home to repay a debt to his friend, and Dominant Skin Walker, Monroe StoneCrow. Determined to even the field and then move on, King goes to great lengths to avoid Monroe's machinations where pairing Walkers is concerned. Only two things stand between King and his freedom: Monroe's scheming, and Lilly Worthington.

Inexplicably drawn to Monroe's personal assistant, King is certain Monroe is somehow to blame. King struggles to fight his urges where Lilly is concerned; however, when Lilly is attacked all bets are off. Single-minded, feral, possession consumes him and his need to protect Lilly begins to outweigh his desire to play hardball with Monroe.

When King is finally stricken with what Monroe calls the affliction, King is more than ready to claim his angel...he is eager!
