## **Living Proof: That cat's do have nine lives** Janet Hayward

Certain to make you both laugh and cry, this delightful book is a celebration of our favourite pet and its amazing ability to survive against all odds. The incredible 'tails' include cats who have survived horrendous natural disasters, others who have travelled unbelievable distances to return home, and heart-warming stories of once neglected and abandoned cats who have gone on to become show winners! Fascinating cat facts and trivia are also included, as well as a cat-alogue of feline-related quotes by famous people.

LIVING PROOF may not have all the scientific explanations for why cats are such remarkable animals, but if you have ever wondered whether cats really do have nine lives, this book contains all the proof you need!

'From feisty felines who have survived natural disasters to those who have defied medical science, these stories about amazing cats are heart-warming.' Pet Notes

'A great read to give away as a gift but, better still, make sure you've got one on your own shelf for a pick me up.' The Star

'This book is bound to make you both laugh and cry! A carefully researched and lovingly written collection of true stories from around the globe.' Sunday News

'Read this heart-warming book for all ages.' The Examiner

Janet Hayward has worked in the media for many years and was at one time the publicist for Australia's Cat Adoption Centre Program. A lover of all animals, she has sadly never been fortunate enough to own a cat herself, but instead has a soft spot for all her friends' cats! This is her first book, inspired by the incredible stories she heard through her work at the Cat Adoption Centre Program.
