One Moose, Twenty Mice (Barefoot Beginner)

Clare Beaton

One Moose, Twenty Mice (Barefoot Beginner) Clare Beaton

Many first number books teach pre-school children how to count to ten. This energetic hide-and-seek book goes one step further, helping young readers to count a menagerie of brightly colored felt animals, from one moose to twenty mice. Children will love meeting ladybugs, monkeys, dolphins, and tigers, and there is the added challenge of finding the mischievous ginger cat hiding on every page.
