**See You in Paradise** J. Robert Lennon

In J. Robert Lennon's America, a portal to another universe can be discovered with surprising nonchalance in a suburban backyard, adoption almost reaches the level of blood sport, and old pals return from the dead to steal your girlfriend. Sexual dysfunction, suicide, tragic accidents, and career stagnation all create surprising opportunities for unexpected grace in this full-hearted and mischievous depiction of those days (weeks, months, years) we all have when things just don't go quite right.
