**Survive the Night** Danielle Vega

**Stephen King meets *Pretty Little Liars* in this pulse-pounding novel from the author of *The Merciless***

Just back from rehab, Casey regrets letting her friends Shana, Julie, and Aya talk her into coming to Survive the Night, an all-night, underground rave in a New York City subway tunnel. Surrounded by frightening drugs and menacing strangers, Casey doesn't think Survive the Night could get any worse...

...until she comes across Julie's mutilated body in a dank, black subway tunnel, red-eyed rats nibbling at her fingers. Casey thought she was just off with some guy—no one could hear her getting torn apart over the sound of pulsing music. And by the time they get back to the party, everyone is *gone*.

Desperate for help, Casey and her friends find themselves running through the putrid subway tunnels, searching for a way out. But every manhole is sealed shut, and every noise echoes eerily in the dark, reminding them they're not alone.

They're being *hunted*.

Trapped underground with someone—or *something*—out to get them, Casey can't help but listen to Aya's terrified refrain: "We're all gonna die down here."

*From the Hardcover edition.*
