**The Internet** Paul Hoffman, John R. Levine

The Internet is an elegant four-color companion to the PBS special, The Internet Show, which will be broadcast in 65 major cities on over 200 television stations in late November and early December, 1994. The book not only covers the territory and subject matter addressed in the show, but also provides reference and how-to material and practical tips to make this the total resource for Internet addicts and newcomers alike. (Communications / Networking)
